Art,

I just saw the note to myself that you wanted to see the CSATAM grant projects. I recently sent the projects to OTAQ to look at too, so I am just forwarding that email. Let me know if you have questions.

Thanks,

Hey Ali,

I have attached the project narratives for the 11 projects selected for funding. I also have attached the public announcement of who won. Although things are out in the open now, please do not share these outside the agency.

Thanks,
